### **Reasons for Allowance**

1. The following is an examiner's statement of reasons for allowance: Claims 1-10 are allowable over the arts of record. This is because the arts of record do not disclose or teach the invention as recited in claim 1 and including: for each set of payload encoding parameters in the possible set of payload encoding parameters, generating, based upon the frame statistics, an estimate of network performance characteristics expected if the transmitting station were to transmit the transmitting frame using that set of payload encoding parameters; and

Selecting, based upon the estimates of expected network performance for each set of payload encoding parameters in the possible set of payload encoding parameters a set of payload encoding parameters having optimized network performance characteristics.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phung My Chung whose telephone number is 571-272-3818. The examiner can normally be reached on Monday to Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Albert Decady can be reached on 571-272-3819. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
